We are urgently looking for a creative Freelance Gaming Video Editor who can turn gaming footage into engaging content for YouTube and Instagram. The ideal candidate should understand video pacing, transitions, visual effects and sound design.

Key Requirements

- Experience in gaming video editing.
- Good understanding of transitions, effects and sound design.
- Ability to create engaging YouTube and Instagram content.
- Creativity and timely project delivery.

Work Responsibilities

- Edit gaming videos with engaging cuts and transitions.
- Add suitable effects and sound design.
- Maintain smooth pacing and viewer engagement.
- Deliver completed projects on time.

Payment: Per project.

Interested candidates can share their portfolio or previous gaming video edits through

WhatsApp.
