Job Overview

Organibabe is hiring a creative Graphic Designer with video editing and copywriting skills to create engaging marketing content and maintain brand consistency across digital platforms.

Key Responsibilities

- Design graphics for social media, websites and advertisements.

- Create and edit reels, promotional videos and branded content.
- Write captions, advertising copy and promotional messages.
- Add motion graphics, transitions, animations and sound effects.
- Support marketing campaigns and use AI-powered creative tools.
- Manage multiple projects and meet deadlines.

Requirements

- Strong graphic design skills and a creative portfolio.
- Knowledge of Photoshop, Illustrator, Canva or Figma.
- Video editing skills using Premiere Pro, After Effects or CapCut.
- Copywriting and social media content experience.
- Understanding of branding, digital marketing and visual storytelling.
- AI design and content creation experience is an advantage.
- Good creativity, organization and attention to detail.

How to Apply

Send your updated resume and portfolio showcasing graphic design, video editing and copywriting work to **hr@organibabe.store**. Applications without a portfolio will not be considered.
