This role is for Admission Counselor. Work is related to student inquiry handling and admission conversion. Person will talk to students and explain courses.

Role Overview

This job is focused on handling student queries and converting them into admissions. Work includes calls, walk-ins, and WhatsApp communication. Candidate should be comfortable in talking and convincing people.

Key Responsibilities

- Handle walk-in students and inquiries
- Manage calls and WhatsApp messages
- Explain courses and admission process
- Convert leads into admissions
- Do follow-ups with interested students
- Maintain basic data and records

Required Skills

Good communication skill is very important for this role. Person should be able to explain and convince students.

- Gujarati, Hindi, and basic English communication
- Strong convincing and sales ability
- Telecalling or counseling experience preferred
- Basic coordination and follow-up skill

Work Nature

This is a student interaction based role. Daily work includes talking to students and guiding them for admission process. Target based work may be involved.

How to Apply

Interested candidates can contact directly on given number.
