Job Overview

This role is for writing and editing AI-based and original content. Work is about improving AI drafts and making them natural, simple, and easy to read. Candidate should also be able to write fresh content when needed.

Required Skills

- Strong writing and editing skill
- Good research ability
- Knowledge of copywriting
- Experience with AI tools like ChatGPT or similar
- Basic SEO understanding (AEO and GEO idea is good)

Key Responsibilities

- Edit AI generated content and fix grammar and flow
- Make content natural and human-like
- Write original blogs, articles, and social posts
- Add SEO-friendly ideas and personal input
- Use AI tools in smart way for better content output
- Improve content readability and engagement
- Maintain quality and accuracy in all writing work

Work Style

Work is creative and detail based. Candidate should understand how to turn simple AI content into strong readable content. Writing should feel natural and easy for readers.

What Company Offers

- Growth in content career path
- 5 day working schedule
- Work on different clients and projects
- Supportive and creative team environment

How to Apply

Send resume and portfolio on email or WhatsApp. Selection will be based on writing skills and sample work.
