DESCRIPTION

AI Face Motion Video Collection Project, Remote – Globel Recording Network

Location: Remote (Work From Home)

Job Type: Freelance / Contract / Volunteer / One-time Project

Salary: ?500 per hour

HR Contact: +91 9423677636

Join Globel Recording Network and participate in an AI Face Motion Video Collection Project. This is a one-time remote task. No previous experience is required.

Company: Globel Recording Network

Position: AI Face Motion Project Participant

You will record short videos using your smartphone. The videos will include simple facial expressions and head movements. The collected data will be used to improve AI and computer vision technology.

Eligibility:

- Must be 18 years or older.
- Smartphone with a good-quality front camera.
- Stable internet connection.
- Good lighting for recording.
- Ability to follow simple recording instructions.

Key Responsibilities:

- Record short face motion videos.
- Follow the recording guidelines.
- Submit clear and high-quality videos.
- Complete the one-time project as instructed.

Benefits:

- Work from home.
- No experience required.
- Flexible schedule.
- One-time paid project.
- Opportunity to contribute to AI research.
