About the Role

Honeybeez Consultancy is hiring an **AI-Powered Visual Designer**.
This is a full-time work-from-home job.
You will create creative designs using AI tools.
You will work on marketing and visual content.
You should have a good eye for design and creativity.

Key Responsibilities

- Create high-quality visual designs.
- Use AI tools to make creative content.
- Design graphics for different projects.
- Edit and improve existing designs.
- Work with the team to meet project goals.

- Deliver work on time.
- Follow brand guidelines in every design.

Requirements

- 3–8 years of experience in visual design.
- Good knowledge of AI design tools.
- Experience with Adobe Suite.
- Good knowledge of Canva.
- Experience with Midjourney or similar AI tools.
- Creative thinking and attention to detail.
- Good communication skills.

Salary

- Up to ₹4.5 LPA

Work Location

- Permanent Work From Home.

Important Note

- A portfolio is required.
- Applications without a portfolio will not be reviewed.
