Subject: AI VIDEO EDITOR & GRAPHIC DESIGNER

Brand Kicks is hiring an **AI Video Editor & Graphic Designer** for its creative team. The role focuses mainly on AI-generated videos and editing, with some graphic design work.

Key Responsibilities

- Create AI-generated videos and films.
- Produce text-to-video and image-to-video content.
- Edit Reels, UGC and short-form videos.
- Handle pacing, transitions, sound and storytelling.
- Design social media and marketing creatives.
- Create brand visuals, campaign assets and pitch decks.

Requirements

- Good visual storytelling and editing skills.
- Strong understanding of composition, typography and motion.
- Interest in AI filmmaking and new creative tools.
- Ability to turn briefs into engaging content.
- Openness to feedback and fast learning.
- Ability to meet deadlines in a startup environment.

Tools

Kling, Seedance, VEO 3, Runway, Higgsfield, ChatGPT, Google Gemini, Premiere Pro, After Effects, Photoshop and Illustrator.

Important: This role focuses primarily on AI video creation. It may not suit candidates interested mainly in static graphic design.
