AI VIDEO EDITOR, SOCIAL MEDIA CONTENT, REMOTE WORK

BASE SALARY

INR 100000 - INR 110000

DESCRIPTION

FOG (Future of Gaming) Hiring AI Video Editor

FOG is hiring AI Video Editors for remote work in India. This is a strong opening for editors who like fast content work. You will create short videos for social media, ads, and branding. Contact: +91 9638771823

Job Details

Location: India

Salary: Up to ₹1,00,000 per month

Work Mode: Remote | Flexible Hours

Job Type: Full-time

About the Work

This is a creative editing job. You will work with AI tools and editing software. The work will focus on reels, shorts, ads, and marketing videos. You should be able to work fast and keep quality high.

This suits people who enjoy storytelling and social media content. You will also work with the creative team from a remote setup.

Main Responsibilities

- Edit videos using AI tools and editing software
- Create reels, shorts, ads, and promo videos
- Use AI tools for subtitles, voiceovers, and enhancement
- Deliver clean edits on time

- Work with the creative team remotely

Skills Required

- Experience with Premiere Pro, Final Cut Pro, or CapCut
- Basic knowledge of AI video editing workflows
- Good storytelling sense
- Understanding of social media trends
- Ability to work alone and meet deadlines

Preferred Skills

- Experience with AI-generated content
- Motion graphics knowledge
- VFX knowledge
- Portfolio or showreel

Benefits

- Flexible schedule
- Work from home

How to Apply

Send your resume, portfolio, and the AI tools you have worked with. Please apply using the contact number below.
