AI VIDEO EDITOR, SOCIAL MEDIA EDITOR FRESHER, PATEL NAGAR DELHI

BASE SALARY

INR 6000 - INR 12000

DESCRIPTION

Big Feathers

AI Video Editor & Content Creator, Fresher

Location: Patel Nagar, New Delhi

Work Mode: On-site only

Job Type: Full-time

Salary: ₹6,000 to ₹12,000 per month

WhatsApp: +91 7297960397

Big Feathers is hiring a fresher for an on-site creative opening. This is only for office work. Remote, hybrid, and freelance applicants should not apply. The company wants a creative person who is ready to learn and grow.

The work is about AI video editing and content creation. You will make reels, product videos, and short videos. You will also edit social media content for marketing. Basic knowledge of editing tools is needed.

The company is an IT company. It is part of an international group of companies. The team needs someone with a fresh and creative mindset. Basic computer knowledge is also important.

Responsibilities

- Create short videos and reels using AI tools
- Edit videos for social media and marketing
- Create AI-generated product photos and visuals

- Add transitions, music, captions, and effects
- Work on Instagram and YouTube Shorts content
- Support the marketing and creative team
- Handle daily content tasks

Requirements

- Fresher can apply
- Basic video editing knowledge
- Knowledge of CapCut, Canva, VN, Premiere Pro, or similar tools
- Interest in AI tools for photo and video creation
- Creative mindset
- Willingness to learn
- Basic computer knowledge

Preferred Skills

- Social media content editing
- AI image and video tools
- Motion graphics basics
- Thumbnail or poster design

This is a good chance to work on real projects. You will learn modern editing tools. You will also get hands-on experience in AI based content creation. The work can help you grow in media, marketing, and the creative field.
