Contact Email: Pooja.sharma@vytal.co.in

Vytal Business Consultants is hiring for multiple work from home positions across India. These openings are for candidates with international voice process experience. The company is looking for experienced candidates from target-based process backgrounds.

The available positions are Team Leader Quality Analyst and Assistant Manager – Operations. These roles are remote and open for Pan India candidates. Salary depends on the position and experience level.

Candidates should have at least 2 years of international voice process experience on paper. Experience in collections sales retention or any target-based process is required. Good communication skills are also important for these openings.

The company has also mentioned employment gap and age criteria. Gap should not be more than 2 to 3 months. Maximum age allowed is 38 years.

Open Positions

- Team Leader
- Quality Analyst
- Assistant Manager – Operations
