Home Interlook is hiring a Business Development Executive. The work is in interior construction and solar solutions. This is a field-based and client-facing position. The role needs energy, follow-up, and good communication.

About the Company

Home Interlook works in false ceiling, modular kitchens, carpentry, doors and windows, wall paneling, flooring, painting, and solar sales and installations. The company is growing across Western Odisha. The team needs someone who can meet clients and help bring business.

Key Responsibilities

- Meet new clients and understand their needs
- Generate leads through field visits and local networking
- Follow up with customers and convert enquiries into business
- Prepare quotations and explain them clearly
- Make basic project estimates

- Coordinate with the technical team
- Promote interior services and solar solutions
- Visit sites and maintain customer relationships
- Track leads, customer updates, and project progress
- Work to achieve monthly targets

Requirements

- Minimum 12th pass, diploma, or graduate
- Good communication and negotiation skills
- Fluent in Odia and Hindi
- Basic English for customer communication and reporting
- Basic knowledge of MS Excel, WhatsApp, and email
- Willing to travel across Western Odisha
- Experience in sales, marketing, construction, interior, or solar work is preferred
- Two-wheeler and valid driving license preferred

Skills Needed

- Client handling
- Sales and marketing
- Business development
- Quotation preparation
- Customer follow-up
- Communication and negotiation
- Field sales

The company offers TA and DA as per company norms. There are also travel reimbursements as per company policy. This can be a good opportunity for someone who wants field exposure and growth in sales.

Why Join

- Work in a fast-growing interior and solar business
- Gain hands-on experience in sales and estimation
- Learn project coordination
