Wonk is seeking passionate Cambridge Mathematics tutors for 1:1 online classes with Grades 9–12 students. Teach concepts, assignments, and exam preparation in a flexible online setting while earning hourly pay.

Key Responsibilities:

- Conduct 1:1 online tutoring sessions for Cambridge IGCSE & AS Level Mathematics
- Teach algebra, geometry, trigonometry, calculus basics, and problem-solving techniques
- Support students with assignments, concept clarity, and exam preparation
- Maintain a professional and interactive online learning environment
- Teach domestic and international students

Requirements:

- Bachelor's degree in Mathematics, Education, Engineering, or related field
- Strong knowledge of Cambridge IGCSE / AS Level Mathematics
- Prior tutoring experience preferred
- Excellent problem-solving, communication, and explanation skills
- Familiarity with online teaching platforms is an advantage

Perks & Learning:

- Teach students globally from Grades 9–12
- 1:1 online teaching format
- Hourly pay for each session
- Flexible teaching hours, full-year opportunity
- Work remotely from anywhere
