CAREER OPPORTUNITIES ACROSS MULTIPLE SECTORS

BASE SALARY

INR 15000 - INR 30000

DESCRIPTION

Career Opportunities Across Multiple Sectors

Career Counseling Corporation of India is sharing open opportunities across many sectors. These include banking, logistics, medical, hospitality, IT, accounts, government, and non-government areas. Pan India vacancies are available. Abroad openings are also available.

This platform is helping candidates find suitable openings based on experience level. The process is simple. Candidates can visit the website, select their level, and apply for a suitable company or sector.
