Website: glyte.tech

Glyte Tech is seeking a skilled CCTV Technician to handle installation, maintenance, and troubleshooting of security camera systems for residential and commercial clients. Field visits are required across Navi Mumbai.

Key Responsibilities:

- Install and configure CCTV cameras, DVR/NVR systems
- Run LAN cables, mount cameras, and handle wiring properly
- Troubleshoot connectivity and recording issues
- Set up remote viewing on mobile and PC
- Maintain and repair existing CCTV systems
- Visit client locations as needed

Requirements:

- Hands-on experience with CCTV installations
- Knowledge of DVR/NVR configuration and basic networking (IP, router setup)
- Ability to run cables and mount cameras correctly
- Responsible, professional, and client-friendly
- Two-wheeler preferred for field visits

Preferred Skills:

- Experience with Hikvision, CP Plus, Dahua, or similar brands
- Basic networking knowledge
- Experience with intercom or security systems

Perks & Benefits:

- Performance-based bonuses
- Field travel allowance
- Growth opportunities within a technology company

How to Apply:

Apply via Indeed or contact via WhatsApp: 8879983939
