Job Overview

This work is about selling design services. Services include UI/UX design for SaaS products and brand identity work. You will talk to clients, explain services and close deals. Work is simple but needs confidence and communication.

Earning Details

This is **commission based work**. No fixed salary. You can earn around **?10,000 to ?50,000 per month** depending on deals. Commission is **15% on every deal**.

Main Responsibilities

- Find new clients for design services
- Talk and explain UI/UX and branding services
- Close deals and generate sales
- Maintain good client relationship

Skills Required

Basic understanding is enough to start.

- Sales and communication skill
- Basic idea of marketing or branding
- Confidence in talking with clients
- Self motivation to earn more

Qualification

Bachelor's degree is preferred but not compulsory. Freshers with interest in sales can apply.

Work Type

Freelance role. You can work anytime as per your schedule.

Selection Process

Very simple process.

- Basic discussion on WhatsApp
- Understanding of your profile
- Quick start

How to Apply

Direct contact on WhatsApp or email for quick reply.

WhatsApp: +91 7385354231

Email: shriram@uxcapsule.com

Important Note

This role has no fixed salary. Income depends on your sales performance. Only serious and interested candidates should apply.
