Join Content Junction as a Content Editor for an audiobook project. This is a remote freelance opportunity. You will review scripts and improve their language quality before audio production.

Company: Content Junction

Position: Content Editor (Hindi or English)

You will check audiobook scripts for grammar, spelling, pronunciation, and sentence structure. The role requires strong language skills and attention to detail.

Eligibility:

- Excellent command of Hindi or English.
- Strong vocabulary and language skills.
- Good understanding of pronunciation.
- Ability to identify grammar and spelling mistakes.
- Attention to detail.

Key Responsibilities:

- Review audiobook scripts.
- Check pronunciation-sensitive words.
- Correct spelling and grammar errors.
- Improve sentence formation and readability.
- Ensure high-quality content before audio production.

Benefits:

- Work from home.
- Freelance opportunity.
- Flexible working environment.
- Monthly payment.
