CONTENT WRITER JOB/SEO BLOG WRITER

BASE SALARY

INR 18000 - INR 20000

DESCRIPTION

Company: Kbizsoft Solutions Pvt. Ltd.

Position: Technical Content Writer

Industry: IT Services / Digital Marketing

Location: Mohali, Punjab (Hybrid – Work From Home + On-site at Mohali)

Employment Type: Full Time

Salary: Up to ₹20K/Month

HR Contact: +91 7508749924

Email: dipsie.kbizsoft@gmail.com

Role Overview:

- Write engaging and high-quality content for blogs, websites, and technical articles
- Create SEO-friendly content for digital marketing campaigns
- Ensure content matches brand voice and international client expectations
- Focus on IT services, digital solutions, and technology topics

Main Responsibilities:

- Write blog posts, website pages, and product descriptions
- Develop technical articles related to IT services and digital solutions
- Edit and proofread existing content to improve quality
- Research technical topics and convert them into easy and readable content

- Work with developers, designers, and marketing team for content ideas
- Meet daily or weekly writing deadlines

Required Qualifications:

- Bachelor's degree in English, Journalism, Mass Communication, or related field
- 6 Months to 1 Year experience in content writing
- Internship or freelance writing experience will also be considered
- Strong written English with knowledge of US and UK grammar styles

Required Skills:

- SEO content writing and keyword placement knowledge
- Ability to research technical topics
- Good creativity and attention to detail
- Ability to adapt to feedback and learn quickly
- Basic understanding of IT services and digital marketing

Benefits Offered:

- Opportunity to work with experienced IT and digital marketing team
- Mentorship from senior writers and marketing professionals
- Career growth opportunities in content writing field
- Friendly and collaborative working environment
- Exposure to international projects and clients
