CONVERT AUDIO INTO TEXT – ?17,300 MONTHLY | WORK FROM HOME JOB FOR BEGINNERS

DESCRIPTION

Job Details:

VoiceScript Solutions is hiring freshers for a **work-from-home audio transcription job**. This is a simple task where you will listen to short audio recordings (like interviews, notes, or calls) and type them word-for-word in a document.

?? Responsibilities:

- Listen to clear voice recordings (in Hindi/English)
- Type spoken words accurately into a text document (?10–?30 per minute of audio)
- Maintain punctuation, spelling, and paragraph structure
- Submit completed files in Word or Google Docs

? Job Type:

- Fully Remote / Task-Based
- Part-Time or Full-Time

? Who Can Apply:

- Freshers, students, homemakers
- Anyone with good listening & typing skills
- Mobile (with earphones) or computer required

? Salary Range:

- Starts from ₹17,300 per month
- Can go up to ₹25,000 based on audio volume
- Weekly payments available

? Working Hours:

- No shifts – work any time
- Submit work as per your pace

? Contact to Apply:

? Call or WhatsApp: **08511240190**

? Company: VoiceScript Solutions
