The B Factory is hiring a **Creative Designer & Social Media Executive** for a remote opportunity. Candidates from anywhere in India can apply. Hyderabad-based candidates with photography skills may be required to visit the studio 2 to 3 times a week.

You will create engaging designs and social media content. You will also work with AI-powered design tools and help build a premium gifting brand.

Job Responsibilities

- Create social media graphics and visual content
- Design creatives using Adobe Illustrator and CorelDRAW
- Edit videos with Adobe Premiere Pro

- Design UI and creative assets using Figma
- Create illustrations using Procreate
- Use AI-powered design tools
- Design Pinterest and Google Ads creatives
- Support photography and product styling if based in Hyderabad
- Maintain brand consistency across all content

Eligibility

- Freshers with strong creative skills can apply
- Experienced designers can apply
- Good knowledge of graphic design principles
- Creative thinking and attention to detail
- Ability to work independently from home
- Good communication and time management skills

Required Skills

- Adobe Illustrator
- Adobe Premiere Pro
- CorelDRAW
- Figma
- Procreate
- AI Design Tools
- Social Media Content Creation
- Pinterest
- Google Ads Creatives
- Photography and Styling

Benefits

- Work from home
- ₹20,000+ monthly earnings
- Part-time and freelance flexibility
- Work directly with the founder
- Hands-on experience with AI-powered design
- Opportunity to build a premium lifestyle brand
