## CREATIVE DESIGNER INTERN (UI + SOCIAL MEDIA)

### BASE SALARY

INR 2000 - INR 5000

### DESCRIPTION

#### About Us

We are a fast-growing **software service agency** building modern digital products and helping brands establish a strong online presence through design and technology.

#### Role Overview

We're looking for a **creative and detail-oriented designer** who can work across **UI design, branding, and social media content**.

This role is perfect for someone who enjoys blending **aesthetic design with real-world impact**.

#### What You'll Do

- Design clean and modern **website UI & layouts**
- Create engaging **social media posts, reels, and creatives**
- Design **logos, banners, and brand assets**
- Maintain a consistent **visual identity** across platforms
- Work on **real client projects**
- Apply strong understanding of **colors, typography, and design trends**

#### What We're Looking For

- Strong sense of **design, colors, and aesthetics**
- Basic experience with **Figma / Canva / Photoshop**
- Understanding of **UI/UX principles**
- Creativity + attention to detail
- Someone who is eager to learn and take ownership
