CREATIVE GRAPHIC AND VIDEO DESIGNER

BASE SALARY

INR 10000 - INR 12000

DESCRIPTION

Graphic Designer and Video Editor

We are hiring for a creative design and video editing role. This is a remote work opportunity. You can work full time, part time, or freelance. The timing is flexible and freshers can also apply.

WhatsApp: +91 8018760312

Email: netrovate.com@gmail.com

You will create social media posts and marketing designs. You will also edit reels and short videos. The work is focused on creative content for digital platforms.

Graphic design work

- Create social media posts for Instagram and Facebook
- Design banners, posters, and ads
- Build website and landing page visuals
- Maintain brand consistency in designs
- Create marketing creatives for campaigns

Video editing work

- Edit Instagram reels and YouTube shorts
- Add captions, music, and effects
- Create engaging short videos
- Use transitions and motion graphics
- Optimize videos for social platforms
- Deliver work within deadlines

Confidential

Skills required

- Knowledge of Photoshop and Illustrator
- Canva experience preferred
- Video editing skills in Premiere Pro or CapCut
- After Effects knowledge is a plus
- Good sense of color and typography
- Creativity and attention to detail
- Awareness of social media trends
- Ability to work independently

Other details

This is a remote creative role. You will work on branding and marketing projects. Portfolio is important for selection. Freshers with strong skills can also apply.

Please send your resume, portfolio, sample work, location, and expected charges before applying.
