This job is about helping customers and solving their problems. You will talk to customers through calls, chat, and email. Basic understanding of internet services is helpful. Good communication skills are important.

Key Responsibilities

- Handle customer queries on call, chat, and email
- Help with service setup and troubleshooting
- Resolve issues quickly and keep customers satisfied
- Follow up with customers for better experience
- Coordinate with technical teams
- Maintain customer records and feedback

Requirements

- Good communication and problem-solving skills
- Customer-friendly attitude
- Basic knowledge of internet or tech services (preferred)
- Ability to handle multiple tasks
- Experience in customer support is a plus

What You Get

- Work with a growing tech company
- Learning and growth opportunities
- Supportive work environment
- Performance-based incentives

Grow your career in customer service with real experience.
