About the Position

Bagpiper Transport Inc. is hiring a Customer Service Representative for its Canadian trucking and logistics operations.

This is a remote work opportunity for candidates based in India. You will support customers and work with the operations team during Canadian business hours.

Good communication and customer handling skills are important for this position.

What You Will Do

- Answer customer calls and emails
- Share shipment updates with customers
- Coordinate with drivers and dispatch teams

- Resolve customer questions in a professional way
- Keep customer records and documents updated
- Support daily logistics operations

Skills Required

- Good spoken and written English
- Strong customer service skills
- Professional phone and email etiquette
- Good problem-solving ability
- Ability to handle multiple tasks
- Reliable internet connection and a quiet workspace

Preferred Experience

Candidates with experience in Canadian trucking or logistics will have an advantage.

Knowledge of ACI or ACE customs documentation and border procedures is also preferred.

Benefits

- Work from home
- Full-time remote position
- Competitive salary
- Supportive team environment
- Opportunity to work with a Canadian logistics company

How to Apply

Send your updated resume by email.
