#### Job Description:

We are hiring Data Entry Operators for mobile and laptop-based work from home jobs. Candidates can work on simple data entry tasks, online form filling, and captcha entry projects. This job is suitable for students, housewives, job seekers, and part-time workers looking to earn from home.

Responsibilities include entering data accurately, filling online forms with correct details, submitting captcha entries, and completing assigned tasks within the given time frame. Basic typing skills and attention to detail are required.

Candidates must have a smartphone or laptop with internet connection. No prior experience is required as basic training will be provided. Freshers are welcome to apply.

#### Benefits:

- Flexible working hours
- Work from home
- Weekly / Monthly payout options

- No target pressure (project-based work)

Interested candidates can apply by sending their name, age, and city to the above contact number or email ID.
