GrowBot by CARISTRRA is a learning initiative for children. It focuses on Robotics, Coding, AI, Electronics, and STEM. The work is simple and meaningful. It is a good fit for people who like education and communication.

You will help share program details with parents, students, schools, and communities. You will also support referrals and awareness activities. This is a flexible work from home opportunity. No prior sales experience is needed.

Key Responsibilities

- Promote Robotics programs
- Promote Coding programs
- Promote AI programs
- Promote STEM programs

- Connect with parents
- Connect with students
- Connect with schools
- Connect with tuition centres
- Connect with community groups
- Share details on WhatsApp
- Share details on social media
- Use personal networks for outreach
- Refer interested students to the team
- Support workshops and demo events
- Support awareness sessions

This role is suitable for people who can talk clearly and build trust. You should be comfortable using a smartphone and WhatsApp. Basic communication skills are enough to start. A genuine interest in children's learning will help a lot.

Who Can Apply

- Homemakers
- College students
- Teachers
- Tuition teachers
- Parents
- Retired professionals
- Community leaders
- Fresh graduates

Skills Required

- Good communication skills
- Basic WhatsApp usage
- Basic smartphone usage
- Interest in education
- Interest in child development
- Networking skills
- Relationship-building ability
- Simple follow-up skills

Compensation

You will earn based on performance. The incentive is ₹500 when a referred student enrolls. You will get ₹200 after the second month. You will get ₹100 after the third month. The total incentive is ₹800 for one successful admission.

There is no limit on referrals. More successful referrals can lead to more earnings. This makes the work flexible. It can suit people who want part-time income from home.

Benefits

- Flexible working hours
- Work from anywhere
- No investment required
- Unlimited earning potential

- No fixed sales pressure
- Chance to support children's future skills

How To Apply

Interested candidates can apply with their name, location, and contact details. You can also connect through WhatsApp using the number below.
