DGTLmart is hiring an English Language Teacher for online classes. This is a work from home opportunity. The company is looking for candidates with good spoken English skills. You should speak clearly and confidently. This work is suitable for experienced English trainers and teachers.

The teacher will conduct Spoken English classes through Zoom. You should be comfortable teaching students of different levels. You will also guide and motivate students during their learning process. Candidates should be responsible and able to manage classes independently.

Main Responsibilities

- Conduct online Spoken English classes on Zoom
- Teach students from different learning levels

- Guide and motivate students regularly
- Manage online classes properly
- Support students throughout the learning journey
- Handle classes for 1 to 2 hours daily

Skills Required

Candidates should have excellent English communication skills. Minimum 2 years of teaching or training experience is required. You should have confidence while teaching online. Good communication and student handling skills are important for this work.

Important Requirements

- Laptop or PC is compulsory
- Mobile classes will not be accepted
- Stable internet connection is needed
- Ability to teach online comfortably

Benefits

This is a fully remote work opportunity. Flexible teaching hours are available. Candidates can work from home comfortably.
