Honey Makhija Group is hiring **Fan Page Managers** to grow the online presence of Dr. Honey Makhija across Instagram and YouTube. This remote role is ideal for people who enjoy social media, short-form content and daily publishing work.

You will use company-provided videos and approved AI-assisted tools to create reels and shorts. You will manage assigned fan pages and keep a consistent posting schedule.

Job Responsibilities

- Manage assigned Instagram and YouTube fan pages
- Create short-form videos using approved AI tools
- Use company-provided content for editing
- Publish approved content on assigned pages
- Write captions, titles, hashtags and descriptions

- Maintain a daily posting schedule
- Follow brand and content guidelines
- Submit daily or weekly activity reports
- Keep content quality, accuracy and consistency high

Content Focus

- Entrepreneurship
- Business growth
- Startup journey
- Leadership
- Productivity
- Sales and marketing
- Manufacturing
- Personal branding
- Motivation
- Behind-the-scenes business content

Preferred Skills

- Social media management
- Video editing
- AI tools
- Organizational skills
- Instagram and YouTube knowledge
- Basic content creation
- Good communication
- Ability to work independently

Ideal Candidate

- Students
- Fresh graduates
- Freelancers
- Homemakers
- Social media enthusiasts
- Content creators

Compensation

- Fixed salary option: ₹5,000 per month
- Performance option: ₹20 per approved reel
- Higher payout is based on whichever amount is greater
- No upper limit on performance-based earnings
- Additional pages and long-term growth for strong performers

Billing & Payment

- Billing period: 1st to 31st of every month
- Payment date: 8th of the following month

Benefits

- Flexible schedule
- Remote work
- Long-term growth opportunity
- Additional fan page assignments for top performers
- Leadership opportunities

How to Apply

Send your resume and details of any social media or content creation experience through WhatsApp.
