## DESCRIPTION

**Company:** Explorex Technologies

**Position:** Photographer, Videographer & Editor

**Industry:** Media Production / Digital Marketing

**Location:** Bengaluru (Hybrid – Work From Home + Onsite at Bellandur)

**Employment Type:** Full-time

**Salary:** ?22K–?30K/Month

**HR Contact:** +91 8147634825

The role focuses on shooting food photography, recording videos for social media, and editing high-quality visual content for marketing platforms.

### Key Responsibilities:

- Capture high-quality photos of food, drinks, interiors, and café ambiance
- Style shots to highlight food presentation and brand aesthetics
- Shoot videos for reels, stories, and promotional content
- Record smooth handheld or gimbal-based footage
- Edit videos for Instagram, YouTube, Facebook, and other platforms
- Add transitions, text overlays, music, and color grading
- Coordinate with social media and creative teams for content planning
- Maintain organized file storage and backups

**Required Skills:**

- Strong portfolio in restaurant or café photography and videography
- Knowledge of lighting, composition, and color techniques
- Proficiency in Adobe Premiere Pro, Lightroom, Photoshop, and After Effects
- Ability to deliver high-quality content within deadlines

**Preferred Skills:**

- Experience in food styling or creative direction
- Drone shooting experience
- Motion graphics knowledge
