[intownphotostudio@djindelhincr.in](mailto:intownphotostudio@djindelhincr.in)

### Key Responsibilities

- Capture cinematic aerial footage for weddings, pre-wedding shoots, events, and promotional projects
- Collaborate with photography and videography teams
- Follow creative briefs and stylistic guidelines
- Conduct pre-flight inspections and ensure DGCA compliance
- Scout and suggest optimal aerial locations
- Deliver raw or edited footage as per project requirement

### Skills & Requirements

- Own professional drone (DJI Mavic / Phantom / Inspire or equivalent)

INDIVIDUAL

- Experience in drone videography/photography
- Strong understanding of aerial cinematography
- Drone pilot license preferred
- Willingness to travel across Delhi NCR
- Reliable with good communication skills

#### **Additional Information**

- Project-based flexible schedule
- Opportunity to work on premium weddings and luxury events
- Potential for long-term collaboration
- Must share portfolio and drone model details while applying

#### **How to Apply**

Send your portfolio, drone model details, and short work history to [intownphotostudio@djindelhincr.in](mailto:intownphotostudio@djindelhincr.in) or WhatsApp at 09870180925
