Application: Resume and Portfolio

SysAdvise is looking for a **Freelance Graphic Designer** with 1–2 years of experience. The work focuses on creating visual content for digital platforms, websites and marketing materials.

The designer will work with the team on brand visuals and campaign assets. The role also involves adapting designs based on feedback and platform requirements.

Core Responsibilities

- Create visuals for Instagram, LinkedIn, X and TikTok.
- Design website layouts and marketing materials.
- Maintain consistent brand identities.
- Follow brand style and visual guidelines.

- Turn briefs into polished designs.
- Create conversion-focused visual content.
- Update designs based on feedback.
- Adapt designs for platform requirements and trends.

Required Skills

- 1–2 years of hands-on graphic design experience.
- Agency, in-house or strong freelance experience.
- Knowledge of Adobe Illustrator.
- Knowledge of Adobe Photoshop.
- Knowledge of Adobe InDesign.
- Figma knowledge is a plus.
- Strong understanding of typography.
- Good knowledge of layout, colour and composition.
- Strong creative problem-solving skills.

Portfolio Requirement

A strong portfolio is required. It should show creative range and the ability to solve visual design problems.

How to Apply

Send your **resume and portfolio** to **hello@sysadvise.com**.

Applications can also be submitted through direct message.
