You can share details on WhatsApp: **+91 9354842716**

About The Work

ClicksYou Media is looking for a creative Video Editor. The work is for someone who likes visual storytelling. The person should also have a good eye for detail.

The selected person will edit footage into clean final videos. The work must match the creative vision and be ready on time.

Responsibilities

- Edit videos for social media and websites
- Work with the creative team
- Trim and arrange footage properly
- Add music and sound effects
- Improve the final video quality
- Deliver work on time
- Stay updated with editing trends
- Support platform based video needs

Requirements

- Proven video editing experience
- Good knowledge of editing software
- Final Cut Pro knowledge
- Filmora knowledge
- DaVinci Resolve knowledge
- Strong storytelling sense
- Good pacing understanding
- Good visual taste
- Motion graphics knowledge is a plus
- Animation knowledge is a plus
- Good communication skills
- Good organization skills
- Ability to work alone or with a team

Additional Details Needed

Please share these details on WhatsApp:

- Total experience in video editing
- Full-time freelance or both
- Experience with tech related video editing
- Client pages or projects worked on in the last year
- Whether you have a PC or laptop for editing
- Minimum salary expectation or hourly rate
- Earliest joining date

How To Apply

Send your resume, portfolio, and a short cover letter. The cover letter should explain your experience and interest in the work.
