Job Description:

Students' housewife requirement. Here, you don't have to worry about experience; we provide you with experience, we provide you with full training, and after the training, we provide you with work. You can do this easily from home, from anywhere. We provide you with very simple tasks like social media management, customer executive, talking to your customers, telling them things, all these things happen, and we provide you with work in different systems, data management, lead management and many more.
