About the Work

This is for someone who knows internet culture well.

The company wants fresh ideas and quick thinking.

You should be good with reels, memes, and short videos.

The style should feel fun, fast, and natural.

You will make content that grabs attention fast.
You will also write catchy captions.
You will shoot and edit videos for social media.
You will track what works and improve it.

Responsibilities

- Create short-form content for reels and shorts
- Make fun and trend-based content
- Write smart and catchy captions
- Shoot and edit videos using mobile tools
- Use trending audio, effects, and transitions
- Stay updated with social media trends
- Turn brand ideas into engaging content
- Check performance and improve content quality

Requirements

- 0 to 1 year experience
- Bachelor's degree preferred
- Good English and Hinglish
- Basic knowledge of CapCut and Canva
- Good at Instagram and social media content
- Interest in memes and youth trends
- Fast working style
- Portfolio or social media proof preferred

Nice to Have

- Personal account with good reach
- Experience with kids or teen content
- Basic SEO knowledge
- Basic analytics understanding
