Contact: +91 7001816144 / [thinkfit2026@gmail.com](mailto:thinkfit2026@gmail.com)

We are looking for a creative Video Editor & Graphic Designer to join our team. You will help produce both short-form energetic videos and long-form cinematic documentaries, ensuring top-quality visuals and audience engagement.

### Key Responsibilities & Role Details

- Edit videos using Adobe Premiere Pro & CapCut
- Create motion graphics with Adobe After Effects
- Design thumbnails and social media visuals using Adobe Photoshop
- Color grading, audio syncing, and professional typography
- Support storytelling through strong pacing and creative visuals
- Work closely with the Siliguri-based creative team

### Eligibility & Skills Required

- Proficiency in Adobe Premiere Pro, After Effects, and Photoshop
- Strong storytelling and visual design sense
- Attention to detail and creative problem-solving
- Ability to work on both short-form and long-form content
- Freshers with a portfolio or experienced candidates welcome
- Degree or diploma in Animation, Multimedia, or Film Studies is a plus
