Engineering PSC Pvt Ltd is hiring a Video Editor cum Graphic Designer. This is a remote work from home opening. The company wants a creative person who can handle both video and design work. Good attention to detail is important.

You will make videos for social media, ads, and promotions. You will also create banners, posters, thumbnails, brochures, and other branding work. The team wants someone who can work on deadlines and keep the brand style same.

The company is looking for candidates with strong design sense. Experience in video editing and graphic design will help. Own laptop or PC and stable internet are needed.

Key Responsibilities

- Edit and produce videos for social media, YouTube, ads, and campaigns
- Create posters, banners, thumbnails, creatives, brochures, and branding designs
- Add transitions, effects, subtitles, motion graphics, and sound
- Work with the marketing and content team
- Keep brand style the same in all designs

- Handle multiple projects and finish work on time
- Follow current design and video trends

Requirements

- Proven experience in video editing and graphic design
- Knowledge of Adobe Premiere Pro
- Knowledge of After Effects
- Knowledge of Photoshop and Illustrator
- Canva knowledge is helpful
- Good understanding of typography
- Good understanding of color and layout
- Ability to make short and long content
- Good creativity and communication
- Good time management
- Own laptop or PC
- Stable internet connection

Preferred Skills

- Social media content creation
- YouTube and Instagram Reels content
- Facebook ad creatives
- AI-based editing and design tools
- Basic animation and motion graphics

This is a flexible work from home opportunity. The company offers learning and growth in creative work. Salary will depend on experience.
