## HEALTH TEST REFERRAL WORK – PART-TIME COMMISSION AGENT JOB

### BASE SALARY

INR 15000 - INR 73000

### DESCRIPTION

**Company Name:** GO 4 Diagnostics

**Job Title:** Commission Agent / Business Associate

#### About the Company:

GO 4 Diagnostics is a reliable pathology lab that provides accurate diagnostic testing services to patients. The lab offers blood tests, health check-ups, and advanced diagnostic services while maintaining quality and trust in healthcare testing.

#### Role Overview:

**Salary:** ?15K-?73K per Month (Commission Based)

**Job Type:** Full-time / Part-time / Freelance / Internship

**Location:** Delhi (Work in Your Local Area / Remote)

**Contact HR:** +91 9990814085

This role involves referring patients to the GO 4 Diagnostics lab for blood tests and health check-ups. You do not need medical knowledge for this job. The main task is to inform people in your local network about the lab and recommend their services when someone needs diagnostic testing.

You can refer patients from your neighborhood, friends, family members, or local contacts. The company also supports home sample collection, which makes it easier for patients to get their tests done.

#### Key Responsibilities:

- Refer patients to GO 4 Diagnostics for blood tests and health check-ups

- Inform people about the lab and its diagnostic services
- Share lab address or coordinate for home sample collection
- Stay connected with patients for future test requirements
