DESCRIPTION

Hindi Transcription Specialist, Remote – Globel Recording Network

Location: Remote (Work From Home)

Job Type: Freelance / Contract

Salary: ?750 per audio hour

HR Contact: +91 9423677636

Join Globel Recording Network as a Hindi Transcription Specialist. This is a remote freelance opportunity. You will help create high-quality transcription data for AI speech recognition projects.

Company: Globel Recording Network

Position: Hindi Transcription Specialist

You will listen to Hindi audio recordings and convert them into accurate text. Your work will help improve AI language and speech recognition systems.

Eligibility:

- Minimum 1 year of Hindi transcription experience.
- Native or fluent in Hindi.
- Excellent listening and typing skills in Hindi.
- High attention to detail.
- Laptop or desktop with a stable internet connection.
- Ability to meet deadlines and follow project guidelines.

Key Responsibilities:

- Transcribe Hindi audio into text.
- Maintain high accuracy and quality.
- Follow transcription guidelines.
- Complete assigned work within deadlines.

Benefits:

- Work from home.
- Flexible working hours.
- Competitive pay.
- Opportunity to work on AI projects.
- Ongoing freelance work.

Application Process Guide:

Send your updated resume through WhatsApp. Shortlisted candidates will be invited for a transcription assessment.
