Netscribes is hiring Image Editor Executives for a work from home position. This is a remote PAN India opening. The hiring office is in Kolkata, but the role itself is remote. The company is looking for immediate joiners.

This role is for candidates with image editing or graphic design experience in the e-commerce industry. You will work on product image editing and quality improvement. Adobe Photoshop is mandatory for this position.

You will edit and enhance product images. You will make sure the images match quality standards and client guidelines. You will also handle image work in high volume and update basic data in Excel when needed.

Responsibilities

- Edit and enhance product images
- Use Adobe Photoshop for image editing work
- Follow quality standards and client guidelines
- Maintain accuracy while editing large image volumes
- Coordinate with internal teams for deadlines
- Update and maintain basic data in MS Excel

Candidates should have at least 10 months of experience as an Image Editor or Graphic Designer in e-commerce. Graduation or diploma is mandatory. A graphic designing course or certification will be an added advantage.

Good working knowledge of MS Excel is required. Strong computer and typing skills are also needed. Average communication skills in English are acceptable for this role.

This is a full-time permanent remote position. The company follows a 6-day working schedule with 1 rotational week off. Immediate joiners are preferred.

Preferred Candidates

- Immediate joiners
- Candidates with e-commerce image editing experience
- Candidates comfortable in a fast-paced environment
