About the Work

Razano is hiring caring and responsible caregivers for elderly home care. The company is looking for kind people who can support elderly patients with daily needs.

This work needs patience and a caring nature. The caregiver will help patients with comfort, hygiene, meals, and daily support.

Job Responsibilities

Patient Care Support

- Take care of elderly patients
- Help with medicines on time
- Support patients during meals
- Assist in walking and movement
- Help with hygiene and cleanliness
- Provide emotional support and companionship

Daily Assistance

- Support patients in daily routine work
- Stay calm and patient during care
- Maintain a helpful attitude
- Give proper attention to patient needs

Required Qualifications

- ANM certificate
- GNM certificate
- B.Sc Nursing qualification
- Caregiver certificate holders can also apply

Skills Needed

- Caring and patient nature
- Basic patient care knowledge
- Responsible behavior
- Good communication skills
- Ability to handle elderly patients carefully

Experience

Patient care experience is preferred. Freshers with proper certificates can also apply.

Why This Work Is Good

This is a good opportunity for people who want to work in healthcare and patient support. The work environment is flexible and supportive.
