LARAVEL DEVELOPER

JOB LOCATION

Ranchi, NIL, Ranchi, Jharkhand, India

DESCRIPTION

Techno Exponent (T-Web Exponent Services Pvt. Ltd) is a globally recognized IT company transforming startups, scaleups, and enterprises with cutting-edge tech solutions. With over 12 years of industry experience and a team of 400+ experts, Techno Exponent has successfully completed 4000+ projects, empowering 2000+ clients worldwide to launch their digital products and drive business growth. The company offers comprehensive IT and business solutions including Web and App Development, Digital Marketing, AI, ML, Blockchain, Cloud Solutions, and more. Techno Exponent is a CMMI Level-5 and Level-3 certified company, with ISO/IEC "20000-1:2018" and "27001:2022" certifications.

Job Overview

We are seeking a skilled and experienced Mid-Level Laravel Developer to join our team on a full-time basis. The position is based in Kolkata, Ranchi, Dausa, and Addanki. The ideal candidate should have a strong background in PHP and the Laravel Framework, with a maximum of 6 years of work experience. The developer will be responsible for developing and maintaining web applications using Laravel, ensuring high performance and responsiveness.

Qualifications and Skills

- Proficiency in PHP (Mandatory skill) with a strong understanding of its fundamentals.
- Extensive experience with the Laravel Framework (Mandatory skill), including its features and best practices.
- Solid knowledge of MySQL for database management and optimization.
- Experience in designing and developing RESTful APIs for seamless communication between client and server.
- Understanding of MVC Architecture for efficient and structured coding practices.

HIRING ORGANIZATION

Techno Exponent (T-Web Exponent Services Pvt. Ltd)

EMPLOYMENT TYPE
