AUTOMATION ENGINEER

HIRING ORGANIZATION

MECO TECHNOLOGIES PVT. LTD.

DATE POSTED

? August 18, 2024

EMPLOYMENT TYPE

Full-time

BASE SALARY

INR 20,000 - INR 40,000

JOB LOCATION

Dhanbad, NIL, Dhanbad, Jharkhand, INDIA

DESCRIPTION

Job description:

Automation engineering is an engineering discipline that focuses on improving the efficiency of various manufacturing and computer processes by automating certain parts of the system. Automation engineers plan and change existing technology so that it needs less human interaction, and they monitor the performance of the changes they make. Sometimes, an automation engineer may design entirely new technology to automate a system. Automation engineers can be traditional engineers who work with physical machines or software engineers who work with programming languages.

Job Type: Full-time

Education:

- Bachelor's (Preferred)

Experience:

- total work: 3 years (Preferred)
- Selenium: 1 year (Preferred)

Work Location: In person

Application Deadline: 25/08/2024

Expected Start Date: 22/08/2024
