#### About the Role

This is a creative role focused on AI-based image and video production. You will work on brand videos, ad films, and social media content using modern AI tools.

#### Key Responsibilities & Work Details

- Create and refine AI-generated images and video clips
- Edit videos into final polished content
- Maintain visual consistency across scenes
- Work on lip sync, audio, and dialogue alignment
- Adapt videos into multiple languages and formats
- Create social media video content
- Collaborate with team on creative projects
- Explore and use new AI tools

#### Eligibility & Skills Required

- Graduate in any field
- Interest in AI tools, video editing, or creative media
- Willingness to learn new tools and workflows
- Good attention to detail (colors, editing, timing)
- Ability to work independently

### Preferred Skills

- Experience with AI tools (Runway, Kling AI, etc.)
- Basic knowledge of Photoshop, Canva, or similar tools
- Interest in digital marketing or content creation
- Experience with social media or creative projects

### Work Setup

- 100% remote work from home
- Must have own computer/laptop
- Stable internet + backup connection required
- Full-time role only (no part-time or internship)

### Salary & Benefits

- ?10,000 per month
- Work from home flexibility
- Hands-on experience with AI production tools
- Opportunity to grow in creative and media field
