# INDIA REMOTE AI VIDEO CONTENT CREATOR POSITION

## BASE SALARY

INR 8000 - INR 12000

## DESCRIPTION

### AI Video Content Creator | Work From Home

Tutelage Study is hiring creative candidates for the position of AI Video Content Creator. This is a full-time work from home opportunity. Freshers can also apply. Candidates who enjoy creating videos and exploring AI tools are encouraged to apply.

The company is looking for individuals who can create engaging content across educational, historical, motivational, religious, and entertainment topics. This is a great opportunity to build a career in AI-powered content creation while working remotely.

### Salary & Benefits

- Salary: ₹8,000 to ₹12,000 per month
- Performance Based Incentives
- Work From Home
- Full-Time Employment
- Fresher Friendly Opportunity
- Learning Exposure to AI Video Tools

### Contact Details

- WhatsApp: +91 9285108057
- WhatsApp: +91 8527537384
- Email: rohitbansal99771@gmail.com

### Key Responsibilities

- Create videos using AI video generation tools

- Develop creative content ideas
- Produce engaging and informative videos
- Maintain content quality and consistency
- Follow current AI and social media trends
- Deliver assigned work within deadlines

This position requires creativity and a willingness to learn. Candidates should be comfortable exploring new AI tools and using them to create high-quality content.

### **Required Skills**

- Interest in AI video creation
- Creative thinking
- Basic storytelling skills
- Understanding of social media platforms
- Ability to work independently
- Good time management
- Willingness to learn new technologies

### **Who Can Apply**

- Freshers
- Content Creators
- Video Editing Enthusiasts
- Students with relevant skills
- Candidates interested in AI tools
- Individuals looking for remote work opportunities

Freelancers are not eligible for this position. This is strictly a full-time opportunity.

### **How to Apply**

Interested candidates can send their updated resume through WhatsApp or Email.

- WhatsApp: +91 9285108057
- WhatsApp: +91 8527537384
- Email: rohitbansal99771@gmail.com

Candidates who have created videos using AI tools or have an interest in AI-generated content will have an added advantage.
