About the Opportunity

The company is looking for creative content creators and influencers. You will make short Instagram Reels for different brands. Creators from any niche can apply. Payment depends on your profile and commercial quote.

Responsibilities

- Create engaging Instagram Reels.
- Record short talking videos.
- Follow brand guidelines.
- Submit content on time.
- Communicate professionally.

Who Can Apply

Content creators from different niches are welcome. You should feel comfortable in front of the camera. Fresh and experienced creators can both apply.

- Content Creators
- Influencers
- UGC Creators
- Lifestyle Creators
- Fashion Creators
- Beauty Creators
- Fitness Creators
- Food Creators
- Travel Creators
- Tech Creators
- Parenting Creators
- Finance Creators
- Other niche creators

Skills Required

- Good communication skills.
- Creative thinking.
- Basic video editing.
- Confident camera presence.
- Knowledge of Instagram Reels.

Documents Required

Please send the following details while applying.

- Instagram profile link.
- Recent headshot.

- 30 to 60 second talking video or talking-head sample.
- Your charges per video.

Benefits

This is a flexible freelance opportunity. You can work remotely. It is a good chance to collaborate with brands and grow your creator portfolio.
