- Prepare furniture layouts and floor plans.
- Develop 3D models.
- Create realistic design renders.
- Complete drafting and rendering work from home.

- Visit project sites in Indore.
- Take site measurements.
- Understand practical project execution.
- Learn about materials and on-site work.
- Support site coordination activities.

Requirements

- Freshers can apply.
- Knowledge of AutoCAD is required.
- Knowledge of SketchUp is useful.
- Knowledge of 3ds Max is an advantage.
- Lumion or V-Ray knowledge is useful.
- Good understanding of 2D drafting.
- Basic knowledge of 3D design.
- Must be based in Indore.
- Willingness to visit project sites regularly.
- Willingness to learn site execution and materials.

Benefits

- ₹6,000 monthly stipend.
- Stipend can increase based on skills and speed.
- Work from home flexibility.
- Practical site exposure.
- Real project experience.
- Internship certificate upon completion.
- Internet reimbursement.
- Flexible schedule.

Interested candidates can send their resume and 2D/3D portfolio to studioarchitecture0@gmail.com or WhatsApp the hiring team. Contact: +91 7415270152
