About the Company

Movate Technologies (formerly CSS Corp) is a global IT and customer experience company known for delivering technical support and digital solutions. It offers a fast-paced environment with strong learning and growth opportunities.

Job Overview

This role is for an international chat and email support process focused on technical support. You will handle customer queries, troubleshoot issues, and provide solutions through written communication.

Key Responsibilities & Role Details

- Handle customer queries via chat and email support
- Provide technical troubleshooting and solutions
- Maintain professional and clear communication
- Adapt to changing processes and customer needs
- Work in a fast-paced environment with accuracy

Eligibility & Skills Required

- 1–3 years of customer service experience (preferred in tech/logistics)
- Strong written and verbal communication skills
- Good analytical and problem-solving ability
- Ability to handle pressure and customer situations
- Willingness to work night shifts and flexible schedules
- Quick learner with adaptability

Perks & Benefits

- International process exposure
- Career growth in technical support
- Dynamic and learning-focused work environment
- Opportunity to work with global clients

How to Apply

You can send your resume to the given email/phone/WhatsApp.
