JUNIOR WEB CONTENT WRITER

JOB LOCATION

Bandra, NA, Bandra, Maharashtra, India

DESCRIPTION

Are you a writer who can blend creative flair with analytical strategies? Can you harness content to create an everlasting affair between businesses across industries and their varied target audience? Then you're just who we need!

Job Title: Content Writer

Job Location: Mumbai (Bandra West)

Job Type: Full-time (Onsite – Work From Office)

Experience Criteria: 0 to 1.5 years

Salary Range: INR 22,000 to INR 33,000 per month. (Fixed Range)

Job Description

- Candidates should possess impeccable language, grammar and research skills.
- Minimum 2 months internship experience in writing long form, well-researched articles and SEO-driven content.
- Applicants should be familiar with the basics of Content Marketing.
- Familiarity with PR, Quora, Newsletter content and other formats of content would be a bonus but the priority will be given to those with a strong understanding and/or interest in long form content.
- Candidates should possess impeccable interpersonal communication, eye for

Not Your Idea

detail, organisational skills, unquestionable work ethic and dedication.

- The role also involves project/vertical/organisation based research, creating content calendars and strategies, and client liaison among other responsibilities.
- Internal team coordination, deliverables management, publishing articles and creating content for various formats would also be part of your responsibility.
- Educational background is not a criteria as long as you are passionate about writing content and focused on constantly learning and giving your best.

Note:

- You would need to carry your own laptop.
- Applications of students will NOT be considered. Freshers are welcome to apply.
- Only applicants from Mumbai or those willing to relocate to Mumbai immediately will be considered. We do NOT offer remote or hybrid opportunities.
