Contact Number: +91 9315550119

The selected candidate will help with patient assistance and lab related support. Working hours and final salary will be discussed during shortlisting. This is a full-time and permanent opening.

Key Responsibilities

- Assist patients in a polite and calm way
- Support phlebotomy and lab related work
- Handle basic patient guidance

- Maintain good communication
- Work in hybrid mode as required
- Follow the instructions of the diagnostic team

Requirements

- Good speaking skills
- Well qualified candidate preferred
- Patient handling skills
- Willingness to work in hybrid mode
- Basic professional discipline
- Interest in diagnostic support work

The role offers commuter assistance. This can be a good opening for someone who wants steady work in the healthcare field. The company is looking for a responsible and supportive team member.

Benefits

- Commuter assistance
- Full-time permanent position
- Hybrid work setup
