Contact: +91 9312607840

This is a remote Math Tutor opening for students in India and abroad. The role needs strong Math teaching skills and a student-friendly approach. Candidates should be comfortable with online classes and fixed shift timings.

Job Responsibilities

- Deliver live one-on-one Math classes.
- Prepare well before each session.
- Keep classes interactive and engaging.
- Create a positive learning environment.
- Follow SAT patterns and update teaching style.
- Join training and retraining sessions.
- Conduct tests, assignments, and practice work.
- Track student progress regularly.
- Support parent-teacher meetings and course activities.
- Maintain a professional online teaching presence.

Working Hours

- US Timings: 4:00 AM to 11:30 AM IST
- UK Timings: 5:00 PM to 12:30 AM IST
- GS Timings: 3:00 PM to 10:00 PM IST
- Training Period: 3:00 PM to 8:00 PM IST

- 6 working days per week
- 1 weekly off

Eligibility

- Minimum 1 year of teaching or tutoring experience.
- Strong knowledge of Mathematics.
- Good logical reasoning and problem-solving skills.
- Patient and student-focused teaching style.
- Excellent English communication skills.
- Comfortable with SAT teaching patterns.
- Able to manage online classes smoothly.

Technical Requirements

- Laptop with minimum 8 GB RAM.
- i3 processor or above.
- Broadband or fibre connection with 50 Mbps speed.
- UPS and power backup.
- Quiet workspace with proper lighting.
- Full-time availability only.

Benefits

- 100% work from home.
- Opportunity to teach students in India and abroad.
- Exposure to SAT-based teaching.
- Professional training and development.
- Work with a large online tutoring team.
- Flexible shift options.
