Email Subject: Application for Mathematics Tutor Position – [Candidate Name]

REVIJN is hiring Mathematics Tutors to provide personalized, one-to-one online classes. The role focuses on building strong mathematical concepts and helping students improve their academic performance.

Tutors will teach school mathematics, prepare learning materials and support students with examinations and competitive exam preparation, where applicable.

Key Responsibilities

- Teach Mathematics to students from Classes 6–12.
- Explain concepts, formulas and problem-solving methods.
- Prepare lesson plans, worksheets, assignments and assessments.
- Track student progress and provide constructive feedback.

- Maintain attendance and class records.
- Conduct interactive lessons using digital writing tools.

Eligibility Requirements

- Bachelor's or Master's degree in Mathematics or a relevant subject.
- Strong subject knowledge and communication skills.
- Comfortable using online teaching platforms and digital writing tools.
- Laptop or desktop, stable internet and a suitable teaching environment.
- Passion for teaching and helping students succeed.

Preferred Skills

- Strong conceptual clarity and problem-solving ability.
- Ability to explain complex topics in simple language.
- Student-focused approach, punctuality and professionalism.
